

NOTICE OF COMPLETE APPLICATION AND PUBLIC INFORMATION MEETING Comprehensive Telecommunication Plan

PROPOSED CHANGE

The draft Comprehensive Telecommunications Plan for the Town includes proposals of the major telecommunication carriers in Canada, including: Rogers Communications Inc., Bell Mobility Inc., Telus Mobility Inc. and Globalive Communications Corp. (WIND).

The Plan documents the site selection processes, details of the proposals and applicable Industry Canada provisions for nine (9) sites including: the Niagara-on-the-Lake Cemetery, Niagara-on-the-Lake Downtown, Niagara-on-the-Lake Downtown (Small Cells), East-West Line, Queenston, St Davids, York Road, and two at the Niagara District Airport. As most of these proposals are on municipally-owned lands, the Corporation will have control over siting and design.

A copy of the report and draft comprehensive telecommunication plan can be found on the Town's website - www.notl.org.

HAVE YOUR SAY

Input on any proposed matter is welcome and encouraged. You can provide input by speaking at the public information meeting or by making a written submission to the Town.
