On behalf of Owner (Toine van de Knaap) of the subject lands located at 822 Concession 7 Road, RR #4, legally described as parts of Lots 172 and 173, Geographic Township of Niagara, Historical County of Lincoln, Niagara Region, we are the acting agent kindly requesting the Town to accept the petition for the realignment and improvement of a portion of the Lavigne Drain on the St. Davids Hydroponics property as noted above, under Section 4 of the Drainage Act R.S.O. 1990, Chapter D.17 (the Act). Please find the signed authorization form by the owner authorizing Quartek Group to act on their behalf.

The purpose for the realignment and improvement to the drain is to accommodate the future expansion of the greenhouse operations with the addition of three (3) new greenhouses and to reproduce the channel of the drain on the subject lands. Attached is the conceptual plan that provides the proposed realignment of the drain.

We trust that this is what you require at this time, please do not hesitate to contact the undersigned if you have any questions regarding the request.

Yours very truly,
